

Quilt Auction Items

We continue to be blessed by the amazing generosity of donors over the years. Due to the abundance of items we have received for this event in comparison to the number of attendees, we need to be more selective on the items we can accept. Please consider these parameters when donating or accepting a donated item for the quilt auction.

Acceptable Items

- Full-size quilts
- Crib quilts
- Lap Quilts
- Busy/ Fidget Quilts (for elderly, specially-abled, infants, toddlers, etc...)
- Quilted play mats
- Quilted wall hangings
- Quilt storage or display items (chests, racks, ladders, etc...)
- Quilt art (pieced wooden items, barn quilts)

Vintage/ used items will be marked as such. Damaged or stained vintage items will be placed in the silent auction and damage/stains will be noted. All items are sold as is.

**CJH reserves the right to accept excluded items that have a special history, provenance, or tie to Carol Joy Holling Camp.*

***If you have generously created one of these excluded items for us already, please consider offering it to be auctioned at our Heart of Camp Gala, which also benefits the mission and ministry happening at Carol Joy Holling Camp. Items for the gala's silent auction can be delivered to camp after January 1, 2024, for next year's gala. More information is available at CarolJoyHolling.org/gala or by calling Gera at 402-944-2544.*

****Unfortunately we don't have a large enough space to store items where they can be protected from damage until next year's event(s). We appreciate your understanding and storing them safely until next year!*
