

Quilt Auction Items

We continue to be blessed by the amazing generosity of donors over the years. Due to the abundance of items we have received for this event in comparison to the number of attendees, we need to be more selective on the items we can accept. Please consider these parameters when donating or accepting a donated item for the quilt auction.

Acceptable Items

Vintage/ used items will be marked as such. Damaged or stained vintage items will be placed in the silent auction and damage/stains will be noted. All items are sold as is.
